## Reading Day, May 6, 2017

Friends of the Library provide financial as well as volunteer support for our annual Reading Day and for our annual Poetry and Short Story Writing Contest. This year we were able to bring author Susan Stockdale to two elementary schools and give each kindergarten student in those schools a copy of her new book, *Fantastic Flowers*.

Linda Brittain and Paula Trumble help pass our free books to children at May 6 Reading Day event.

Children at Salem Avenue Elementary School with Susan Stockdale at Friday, May 5 visit.
